Il Primo is a high-end Italian steakhouse known for its premium steaks and elegant atmosphere, perfect for intimate dining.

The luxury villas at NUSTAR offer exclusive accommodations, featuring spacious layouts and private amenities that embody comfort and sophistication.

The villas' bedrooms are designed for ultimate comfort, featuring plush bedding, elegant decor, and ample space for relaxation, ensuring a luxurious and restful stay. Million Lighting's elegant pendant and wall lights drape the space, enhancing the artful resplendence.

NUSTAR's convention center hosts up to 2,000 guests, making it ideal for both business events and celebrations with a blend of versatility and elegance.

Million Lighting had the honor of supplying pendant decorative lights for the casino's entrance. These statement fixtures provide a refined yet striking first impression, enhancing the allure of the casino right from the moment of the guest's arrival. The lighting choice was tastefully considered to not only add elegance but also draw attention to the grandeur and exclusivity of the locale.

NUSTAR's casino boasts 250 gaming tables and 1,500 electronic machines, making it a grand entertainment destination. The casino is designed to be a vibrant, exciting space while maintaining a sense of exclusivity for its high-end clientele.

Fili Café is popular for its extensive buffet, offering a variety of international and local dishes in a stylish, upscale setting. Million Lighting enhances the dining experience with warm, cozy lighting, creating a welcoming yet elegant ambiance that elevates both the food presentation and overall atmosphere.
