After three hours on rough, bumpy mountain roads, they finally arrived at Orlalan Laclubar School on the outskirts of Dili.

The schoolchildren warmly welcomed the Million team with a vibrant display of their local traditional dance and customs. Their joyful performance, filled with cultural pride and energy, set the tone for a truly memorable and heartwarming experience.

This shoe distribution trip was more than just a delivery of shoes; it was a powerful reminder that small acts of kindness can make a world of difference in the lives of children, giving them hope and comfort as they take their next steps toward a brighter future.

Million Lighting proudly donated 7,000 pairs of new sports shoes to the bright young minds of Timor-Leste. In collaboration with the Timor-Leste Red Cross, we organized a special distribution trip to deliver these shoes to school children in Dili.

The children's faces lit up with big smiles as they received their new shoes, a moment of joy that truly captured the spirit of our mission.

One of the most touching moments captured in the video showed a school child wearing worn-out shoes and dirty yellow sand-colored socks, who then beamed with joy as they put on their brand-new shoes.

In addition to donating shoes, Million's COO Ms. Nana Au-Chua, generously donated a few violins and guitars from her personal collection to the Red Cross Timor-Leste.
