

M

Hotel 1900 was brought to life by the dynamic teams of Archetype Studio & Hot Design Folks, with lighting supply and execution by Million Lighting, specially commissioned by RB Family Office I Pte Ltd.

Nostalgic Heritage meets Modernity

Nestled in the vibrant heart of Singapore's Chinatown, Hotel 1900 is a seamless blend of history and modern luxury. The iconic hotel offers a sophisticated retreat, where the echoes of the past are beautifully intertwined with contemporary elegance, making it the perfect destination for discerning travelers seeking both comfort and a connection to the rich cultural heritage.

Lux in Comfort

Hotel 1900's rooms are calm and welcoming, with lighting designed for both function and peace. Warm calming tones compliment the modern decor while creating a welcoming cozy retreat. Million Lighting's work adds comfort and luxury to each stay.
