

PROJECT HIGHLIGHT

MANDAI RAINFOREST RESORT BY BANYAN TREE

Located within Singapore's Mandai Wildlife Reserve, Mandai Rainforest Resort by Banyan Tree is an eco-luxury retreat set amid renowned attractions such as Bird Paradise, Night Safari, River Wonders and Singapore Zoo. The 338-room resort is thoughtfully designed with biophilic principles, drawing inspiration from the layered beauty of the rainforest— from the forest floor to the canopy. Many rooms offer tranquil views of the Upper Seletar Reservoir, blending natural serenity with understated elegance. Guests are invited to enjoy not only a peaceful and relaxing stay, but also to engage in meaningful sustainability efforts that foster a deeper connection with nature. Mandai Rainforest Resort redefines urban nature escapes, offering a unique sanctuary for those seeking harmony, discovery and rejuvenation.

Approach to Lobby

At the resort lobby, warm ambient lighting and the sculptural Monkey light welcome guests with a natural, immersive atmosphere. Highlighting the space is the ethereal glowing tree branch installation, which showcases a magical forest feel indoors. Inspired by nature, this artistic lighting not only enhances aesthetics but also deepens the connection between guests and the surrounding rainforest environment.

Grand Mandai Treehouse

In the guest rooms, lighting is inspired by nature to create a calm and restful atmosphere. Sculptural weaver bird nest and cocoon lamps, together with firefly-inspired bedside lanterns, offer both warmth and function, in line with the resort's eco-sensitive, low-impact design approach.

Family Room Balcony

Mandai Treehouse Vanity Light

The vanity counter is softly illuminated by bespoke vanity lights that combine gentle amber tones in elegant forms. Designed to provide optimal clarity without the harsh glare, these lights create a soothing ambience that complements the natural materials and tranquil setting of the guest rooms. The eco-sensitive design ensures minimal impact on the nocturnal environment while enhancing guest comfort.

SCOPE OF WORK: SUPPLY & DELIVERY DECORATIVE LIGHTING

CLIENT: LUM CHANG BUILDING CONTRACTORS PTE LTD

INTERIOR DESIGNER: WOW ARCHITECTS

LIGHTING CONSULTANT: BO STEIBER LIGHTING DESIGN

PROJECT DATE: 2025
