

# St Regis Yan Ting Restaurant

Yan Ting Restaurant serves epicurean Cantonese cuisine for the refined gourmand, an ideal fine-dining establishment for the distinguished elite offering a sumptuous space and private dining rooms.

To welcome the guest with a lavish yet elegant atmosphere, Million Lighting decorated the foyer with warm wall accents for the tradition-steeped touch, seamlessly melding it with the sophisticated modern-noted overhead centerpiece and an inviting table lamp.

Step into the cozy decadence of the main hall.

Million Lighting tastefully decorated it with warm wall fixtures that evoke orientalism, complementing the atmospheric recessed lights couching the rooms in idyllic privacy. Diffuse accent lighting harmoniously backlights the furniture, enhancing the tranquil aura.

# St Regis Spa

## Luxuriate Amidst a Lush Natural Sanctuary

The St Regis Spa was refurbished by MADD Projects and W'Ray Construction. It is immaculately designed, featuring interiors by Avalon Collective, to combine serenity and sophistication, sheltering the patron from the stresses of the world beyond.

The luxury spa experience begins on arrival at the reception area with a bespoke Celebration Bar. Million Lighting's bright white ambient light fixtures gild the scene, providing a cheery, inviting welcome redolent of joie de vivre. This beckons the senses, harkening the immersive relaxation that is to come.

Each of the 6 Treatment Rooms is an extravagant multisensory oasis of utter pampering and peace. Million Lighting's shell-shaped standing lights cast an aura of refinement, elevating the indulgent mood of unparalleled tranquility that its warm ambient lights effuse. Stepping into the room is sure to resemble the most satisfying stress-relieving sigh.

The Signature Couple's Suite artfully places side-by-side beds and a private jacuzzi within it for couples to enjoy the spa's lavish treatments. White accent lighting richly complements the gilded Italian marble, making the opulence gleam. Million Lighting's elegant wall fixtures ensconce the room, accentuating the air of luxurious decadence.
